## **NOTICE**

- Risk of shock, hence disconnect at fuse or circuit breaker before installation or servicing.
- Suitable for a Maximum use of 10-12 Hours Daily. Usage of product for 24Hours a day would void the warranty.
- Consult a certified technician if you are unsure.

## **WARRANTY**

- This product is warranty from manufacturing defect only.
- The warranty is valid for 2 years from the date of purchase.
- The warranty does not apply to damage caused by installation or abnormal wear and tear.
- The company gives no warranty against damage to any surface due to incorrect removal and installation of the product.

## **WARNING**

- This is a high-powered LED. As with any light source, direct viewing should be avoided.
- Note: Although easy to fit, this lamp requires wiring to the main and safety should only be fitted by a qualified electrician.
- Having issued this warning, the company accepts no responsibility for issues arising for any failures to comply with these clear instructions.
- The company will not accept any responsibility for any other issues from improper use of fitting of this product as these matters are beyond our control.
